BACCALAUREATE SERVICES.

The High School Auditorium was
filled to overflowing at 11 o'clock
last Sunday morning, May 17, on the
occasion of the Baccalaureate Ser-
vices in honor of the 1931 High
School graduates.

The music was under the direction
of Mr. Ed. Armstrong and was fur-
nished by a specially trained choir
with Mrs. W. H. Smith at the piano.

As the Processional was played the
graduates, to the number of 33,
marched in single file to seats re-
served for them. The following is
the personnel of the class:

Girls: Mayme Earnest, Evelyn
Clements, Elizabeth Holloway, Elea-
nor E. Heyen, Ora U. Harilee, Mary
Ruth Cameron, Gladys Fusselman,
Frances Finger, Lillian Schroeder,
Bernice Mofield, Grace Ellen Mumme,
Naomi Shoor, Erna Ida Wiemers,
Luella Mae Wiemers; Boys: Jack
Mask, Arthur J. Clements, Jack J.
Droitcourt, Jr., Glynn Jones, Milton
L. Haegelin, Albert A. Haegelin,
George A. Pichot, Edward A. Mech-
ler, Stanley L. Mumme, Durward
Stanley, Don A. Windrow, George
Isaac Wilson, Charles B. Langfeld,
Edgar G. Mechler, Lawrence A.
Rothe, Benjamin C. Rucker, Robert

E. Reynolds, Fritz J. Leinweber,
Bradley Bailey.

Rev. C. P. Haaskari, Pastor of the
Quilhi Lutheran Church, led the in-
vocation and, following an anthem
by the choir, read the scripture les-
son.

Rev. Father T. A. Flynn, Pastor
of the Hondo Catholic Church, taking
as the theme of his discourse the
scriptural admonition, "Remember
thy Creator in the days of thy
youth," preached a masterly sermon
to the young people, picturing to
them the beauties and satisfactions
of leading righteous and upright
lives and avoiding the follies and sins
of the thoughtless and the reckless.
His words of admonition came with
an earnestness that bespoke a heart
filled with love, both for the young
people and all humanity, as their
source; and they sank into the minds
and hearts of all who heard him in
profound and lasting impression.

Following the sermon and singing
of the Doxology, Rev. Haaskari in his
benevolent and fatherly way dis-
missed the audience with the benediction,
and the vast audience followed the
retiring graduates to the sweet
strains of the Recessional.

The present term of the school
closes tonight with the graduating
exercises.

TO GET A B. DEGREE.

Georgetown, Texas, May 20.—Miss
Leora Horger, of Hondo, Texas, who
is a senior in Southwestern Univer-
sity, will receive her A. B. degree
from Southwestern University in the
58th commencement exercises of
Southwestern to be held on June 2
at Georgetown. Miss Horger plans
to teach school next year.

Southwestern plans to have unique
commencement exercises this year.
The Baccalaureate address will be de-
livered by President Dannelly of the
Kentucky Wesleyan College at Win-
chester, Ky., who will speak to the
graduates on Sunday, May 31. The
Pastor's School, which will begin with
the commencement exercises, is a
unique feature which only South-
western University possesses. The
commencement address will be de-
livered by Bishop Edwin Holt Hughes
of Chicago.

THURSDAY BRIDGE CLUB.

Mr. and Mrs. L. E. Heath were
hosts to the members of the Thurs-
day Bridge Club, at their home
Thursday evening, with four tables
of bridge. The home was lovely with
decorations of sweet peas. Tallies
were dainty fans tied with the
flowers.

The serving table was a beautiful
mass of pink and lavender sweet
peas, with the punch bowl in the
center. Punch and wafers were
served.

High score prize for the ladies was
a green bridge set and was won by
Mrs. O. B. Taylor. Men's prize, a
flashlight, went to Mr. Horace
Bradley.

Those present were Mr. and Mrs.
Horace Bradley, Mr. and Mrs. Earl
Starnes, Mr. and Mrs. J. M. Finger,
Judge and Mrs. L. J. Brucks, Dr. and
Mrs. W. H. Smith, Dr. and Mrs. H. J.
Meyer, Dr. and Mrs. O. B. Taylor,
Mrs. C. D. Eddleman of San Antonio
and Mr. and Mrs. L. E. Heath.

LADIES' BRIDGE CLUB.

The members of the Ladies' Bridge
Club and a number of guests were
delightfully entertained Thursday
afternoon, with Mrs. R. W. Speece as
hostess to five tables of bridge. Her
home was charmingly arranged with
pot plants, fern and colorful flowers.

The hostess served a refreshing
lunch consisting of molded fruit
salad, potato chips, sandwich loaf,
angel food cake and iced tea.

Those enjoying the hospitality
were Mesdames Richard Reilly, Henry
Merriman, R. J. Noonan, Alice Rein-
hart, O. H. Miller, E. J. Murray, O.

BAPTIST NEWS NOTES.

Next Sunday will bring us to a
consciousness of the value of our
splendid school teachers, whose
school work has now closed, and who
have departed to their homes for the
summer. They have been very faith-
ful in the work of the Lord. Their
absence will call loudly for the pres-
ence and co-operation of the rest of
us. I trust we shall demonstrate our
loyalty, to the end that nothing may
suffer, in our Sunday school work,
nor shall the inspirational value of
the preaching hour be allowed to de-
cline. God will surely be with us;
and His word of Truth will be our
unerring guide. This we daily need,
and it should not be forgotten that
it is righteousness only which exalts a
nation.

The Pastor and his wife find them-
selves under deep obligations to
friends in the church for gracious
gifts, in the way of various kinds of
eatables brought to our home, mainly
during our absence. Our sincere
thanks are hereby extended to each
and all persons responsible for this
happy affair. "Our God shall supply
all of your needs, according to his
riches in glory, by Christ Jesus."

On next Sunday morning, the sub-
ject for discussion will be "The
Profit of Godliness in This Life." It
is desired that we shall have a full
attendance of the membership; es-
pecially of our younger members. On
Tuesday of this week, Mrs. Jack
Fusselman, president of our local Wo-
men's Missionary Society, together
with Mesdames Beal, Hyatt and Mer-
rill, attended a general meeting of
the Ladies of the Association in San
Antonio. A most informing and in-
spirational time was had, hearing re-
ports of the work of our late South-
ern Baptist Convention in Birming-
ham. Beginning June 14, a city-wide
Evangelistic campaign will be con-
ducted in San Antonio, led by Dr. L.
R. Scarborough of our Ft. Worth
Seminary. The nineteen Baptist
churches of the city will co-operate
in these meetings. These meetings will
last for two weeks. The noon meet-
ings will be held at the Travis Park
Methodist meeting house; the night
services at the First Baptist church.
You are invited to attend.

ST. PAUL'S LUTHERAN CHURCH NOTES.

At 9:15 o'clock A. M. the Sunday
school and Bible class begin. It is
hoped that all pupils and teachers as
well as parents and friends will be
present.

Sunday, the 24th, being Pentecost,
a day of great blessings for old and
young, the scheduled visiting pastor,
Rev. G. Langner of Knippa, will hold
a pentecostal service in the German
language at 10 o'clock A. M. All
are cordially invited to this and all
services in this church. Come, and
bring with you your friends and
neighbors.

God willing, there will be the ad-
ministration of the Lord's Supper at
the 10:30 services.

It is possible that Rev. Langner will
have some very important announce-
ments to make relative to the exist-
ing pastoral vacancy of the congrega-
tion.

TO GRADUATE IN JUNE.

Georgetown, Texas, May 20.—Mr.
Homer King, of Hondo, Texas, who
is a Senior in Southwestern Univer-
sity, will receive his Bachelor of Arts
degree from Southwestern University
in the 58th commencement exercises
to be held at Southwestern on June 2.

The commencement exercises this
year will be exceptionally entertain-
ing and original. The address to the
graduates will be given by Bishop
Edwin Holt Hughes of Chicago, and
the baccalaureate sermon will be de-
livered by President Dannelly of the
Wesleyan College at Winchester, Ky.
The Pastor's School, the only one of
its kind in existence, will begin with
the commencement exercises under
the leadership of Rev. Edmund Hein-
shon, who has been elected Dean of
the Pastor's School by the Board of
Trustees of Southwestern University.

NOTICE

To the people of Medina County,
I am beginning May 1, 1931, to take
orders for the Ramsey Nursery of
Austin, Texas. Please hold your
orders for fruit trees and shrubbery
until you see me. Thanking you for
past favors, I am

Very respectfully,
M. A. CHANCEY,

FROM METHODIST QUARTERS.

We are very much concerned that
we may be able Sunday to see every
one in his place at Sunday school and
the preaching services. Several things
have been up to detract from our
usual program and attendance, how-
ever, we trust that you may make
your plans to attend Sunday school
and the preaching services Sunday.

Sunday afternoon there is to begin
a Standard Training School in Hondo,
which is one of our District schools.
The churches participating are Hon-
do, New Fountain, Sabinal, Yancey
and perhaps Uvalde. We are very
anxious to make it the very best
school possible. If you have never
taken a training credit plan to start
now in this school. There will be one
class on the Home that will be very
beneficial to every home-maker; an-
other one for young people. Every
young person in this section will find
help and inspiration by attending this
school. One course will deal with
our new program of Christian Educa-
tion and small school management.
Make your plans to be in this school
for Christian edification.

Sunday school, 9:45 A. M.
Preaching service, 11:00 A. M.
Training school begins 3:00 P. M.
Evening service, 7:45 P. M.
Every member is expected, every
one is urged to worship with us Sun-
day.

P. E. LANCASTER,

HAS CLOSE CALL.

While binding oats in his field
about five miles east of Castroville
Tuesday afternoon Adolph Zinsmeyer
was struck by lightning and knocked
from the binder and rendered un-
conscious. He remained unconscious
for about thirty minutes and recover-
ed without having suffered any ap-
parent permanent injury.

Mr. Zinsmeyer was handling the
binder while his son drove the
tractor. Following a lightning-flash,
the young man found himself stunned.
Recovering himself, he looked
back and saw that his father had
fallen from the binder, had been
caught by one leg and had been drag-
ged about thirty feet. With the help
of an uncle who was working nearby,
the stricken man was taken to his
home. Mr. Zinsmeyer has no knowl-
edge of what occurred. He remem-
bers being on the binder; he found
himself at home in bed; all is blank
as to what intervened.

About half a mile north of where
this occurred a severe hail storm took
place at the same time, hail stones as
large as apples falling in great num-
bers and doing considerable damage
to crops.

A. A. MASTERS DIES.

A. A. Masters, aged 42 years, died
at his home here about seven o'clock
P. M., Wednesday evening, May 20,
1931, following a year's suffering
from injuries to his spine. As we go
to press arrangements are being made
to convey the body to Floresville for
burial. Rev. P. E. Lancaster will ac-
company the funeral cortege and
conduct the burial service.

Deceased was construction fore-
man on the Seco bridge on Highway
No. 90. He fell from a scaffold on
April 11, 1930, and fractured three
vertebrae. Since then he has been a
helpless sufferer and his injuries have
defied the best of medical skill to
relieve. Death no doubt came as a
welcome relief.

Deceased was 42 years of age and
is survived by his wife, two daugh-
ters and three sons. Also his mother,
five sisters and three brothers are
left to mourn his untimely passing.

The bereaved ones have the sym-
pathy of the entire community.

PICNICS.

As the close of school draws near,
the classes of the high school have
been giving last picnics on the Me-
dina River at Castroville.

The Freshman class enjoyed a
swimming party and supper, Friday
afternoon, leaving after school.
There were about twenty-five Fresh-
men present, and Miss Boyd, the
class sponsor.

The members of the Junior class
left for Castroville immediately fol-
lowing the baseball game Friday
afternoon. Swimming, boat-riding
and dancing were enjoyed. A picnic
supper of sandwiches, potato chips,
olives and pickles, cake, fruit and
soda water was served to about
twenty Juniors and several teachers.

THE LEGISLATIVE MILL.

By Fred W. Davis.

Week Ending May 9.

Efforts to reach an agreement on a good roads policy have so far come to naught. The house has passed two bills designed to place the present burdens of the counties on the state, so far as state roads go. One bill by Brooks of the house which proposed to take out of the state gasoline tax and pay the interest and sinking fund of the bonded indebtedness of counties where the money was used to build state roads, was promptly killed by the senate. Senator Woodul of Houston, administration leader in the senate, announced that the house bill by Stephens, giving relief to counties without a state bond issue, would meet the fate of the Brooks bill. The reading public should know that the senate is not going to pass any legislation looking toward the relief of the counties unless it carries a state bond plan.

While the senate was laying the Brooks house bill to rest the house refused to pass the road bond amendment.

The senate had indicated that it will not finally pass the so-called home rule resolution. The vote for engrossment stood 12 to 9 and it is not probable that the resolution will get the necessary two thirds. If the house will kill the road bond resolution and the senate the home rule amendment, honors will be even in the two branches on this character of service to the state.

The outcome of appropriations are yet to be determined. The house has trimmed quite a bit from the building budget. The house has also voted to reduce salaries of all employees drawing over \$1,500.00 a year. The resolution is 5 per cent for all salaries from \$1,500.00 to \$2,750.00, and 10 per cent cut for all salaries over \$2,750.00. The chances are the senate will not make similar reductions and this leaves the outcome uncertain.

A blanket reduction is not the proper way to fix a salary schedule. Many salaries could and should be lowered. Some are about right and some are too low. The high ones should be reduced, the proper ones unchanged and those too low should be raised.

The bill sponsored by the Commissioner of Agriculture to regulate the acreage to be planted to various agricultural and horticultural products is almost sure to meet defeat in the house. It had one tie vote and was laid on the table subject to call. No one seems to believe it will pass. The chief weakness of this bill is that its alleged purpose is soil conservation, but its real purpose is economic, seeking primarily a better price for cotton. It limits the acres one may plant in any commodity, but does not require planting for soil building or soil conservation. As an example, if 50 per cent should be placed as a limit on cotton acreage and the same side of the field should be planted continuously to cotton there would be no soil conservation on that half of the farm. It would be the same of other crops. Therefore, it is not a scientific but an economic measure and for this reason would fail to stand in the courts. It is this writer's opinion that the state has a right to conserve the soil. But when an effort was made to interfere with the farmer the burden of proof would be upon the state first, to show that the plan the farmer wished to follow would deplete the soil, and second, the plan authorized by the law would conserve the soil.

Contrary to the belief of the sponsors of this measure, the real need is scientific and not economic. The world is not suffering because of an extraordinary effort at production, for the world has scarcely enough to make people comfortable. In the face of the present unusual depression (which was not caused by over production) we will not have enough spinable cotton at the close of this cotton year to serve our needs for six months, and our surplus represents the extra accumulation of more than a hundred years. We cannot regulate production to meet the demands of poverty and prosper thereby. This subject, however, is too wide to permit of an analysis in this column, but get it straight, the world is not suffering because of overproduction.

The house finally passed a bill by Tarwater of Hale County, placing a tax of 3c per pound on vegetable fats used as butter substitutes. It is estimated to bring a revenue of about \$400,000 a year.

Week Ending May 16.

In the early part of the week the legislature heard what was perhaps the most significant address that has been delivered in Austin this session. The Hon. Jouett Shouse from National Democratic Headquarters spoke to a joint session of the legislature and the visiting public. His

theme was what should be the outstanding issues of the next national campaign.

The speaker displayed an intimate knowledge of present conditions. His remarks were specific, sincere and courageous—an able presentation of Republican failures and Democratic opportunities. Boiled down, it was an entreaty for the Democratic party to return to the philosophy of Jefferson with the courage of Jackson.

The two houses definitely fixed the 22nd as the date of adjournment. But the governor and his spokesmen have started a move to reconsider this date and extend the session.

There is much unfinished business, yet the major portion of it has no bearing upon the question of extending the time. Named in their order the issues calling for further consideration are road bond amendment, oil proration, utilities, Congressional redistricting (because of the Ferguson) and the home rule amendment.

The cigarette and gas taxes already enacted into law is the only major effort at raising revenue that has any chance of adoption, irrespective of how long the session may last. The efforts to raise millions from sources other than the ad valorem and established channels seem definitely blocked, although efforts will be continued to pass an income tax bill. Tax reform based upon ability to pay, will be a problem for some future legislature.

The so-called economy established by the house bears out the predictions made some weeks ago, namely—if any reductions were made it would likely affect only those least able to bear them.

The house salary reductions of 5 per cent and 10 per cent do not apply to the judiciary, which draws the highest salary average of any branch of the state government. The reader must bear in mind the legislature gave no consideration to the justness of salaries. It did not inquire into the merits or necessities of the salaries they voted to reduce. The action was solely in the interest of economy and let it hurt who it may. The next highest average salaries are the educational institutions. While those salaries were also reduced by the house 5 per cent and 10 per cent resolution it was frankly stated that out of other funds the educational institutions could and doubtless would bring the salaries up to normal.

This leaves the departments, which get the lowest average salaries to stand the reductions. Besides getting the least average compensation the departmental positions are the least permanent and have but two weeks vacation, while the other two get three months vacation.

We must not forget that the constitutional amendment under which this legislature is organized did not require an increase in legislative salaries. It merely permits it up to ten dollars per day. So if the salary reductions voted by the house survive the free conference and is finally adopted it will still be the same old game as mentioned in this column before, of taking away from one place and placing it at another, or robbing Peter to pay Paul with no lessened burden to the tax payers.

While pleas are being made to lessen the public burdens of the masses many disclosures of graft by public officials are being disclosed. There seems to have been almost criminal negligence in not apprehending many of these violations before now. In many instances the law itself does not sufficiently safeguard public funds. In consideration of the Adjutant General's Department by the house it was stated and not disputed, that the law permits rangers to draw witness fees and mileage as other witnesses do and at the same time collect mileage from the Adjutant General's Department. To prevent this an amendment was offered to prohibit this double expense and the house refused to adopt it. No one has claimed that this legal privilege, perpetuated and authorized by the house vote, has been exercised by the Adjutant's Department, but raising the question in the house will cause some one to investigate. It is freely asserted that many representatives of the state government ride on free

passes. Does anyone know whether when passes are used the state pays no mileage? It should be known. The Comptroller says the investigations should go on. We say no branch of the government should be exempted. Treat all alike, with special privileges to no one.

Two bills regulating motor trucks have finally passed both houses. As stated before, this legislation is the result of a commercial clash between the railroads and motor trucks with railroads in the saddle. Whatever merits the measures may prove to have will be incidental. The lines were so hard drawn that when the free conference reported a new bill it was adopted without being read. No debate was allowed except the author of a substitute motion to not adopt.

COLONIAL COVERINGS.

For the Saturday feature the Colonial Theatre again offers a thrilling Western, "So This Is Arizona" with Wally Wales, Loraine Leval, Buzz Barton and Fred Church. Don't forget that you will always get plenty of action, heart throbs and thrills in the Western. Don't miss it!

A screen treat is assured the patrons of the Colonial Theatre in their next attraction for Sunday and Monday, which is Universal's lively comedy drama, "Bad Sister" and which presents a remarkable cast including Conrad Nagel, Sidney Fox, Bette Davis, Slim Summerville, ZaSu Pitts and many other motion picture favorites. This interesting picture tells the story of an inconstant girl who trifles with the affections of many men, and who finally comes face to face with a bitter disillusionment. The original story was written by Booth Tarkington, famous novelist, and the picture was filmed under the direction of Hobart Henley. Don't miss "Bad Sister." It is a picture that will "get under your skin" and bring you keen enjoyment.

An entirely new and different atmosphere is provided for Clara Bow in her latest picture—"No Limit" which will be seen at the Colonial Theatre next Thursday and Friday. In this play of big city life, Miss Bow is seen as an usherette in a great movie palace. She attains sudden wealth by a trick of fate—and by the same token loses it all only to find happiness at the finish in a romantic, if lacking-in-money readjustment. Clara Bow has a new leading man in Norman Foster.

NOTICE BOARD OF EQUALIZATION.

Asks: What is ACNE?

Big Ugly PIMPLES

Yes! That's the simple answer, but Acne is more than just a big pimple—better to call it a big stubborn pimple.

That's why you must fight this obstinate skin disease with something powerful enough to kill it and swiftly get the unsightly thing off the skin.

So we advise all who are so unfortunate as to have Acne to get rid of it at once and for all by using Emerald Oil, a powerful, healing, antiseptic oil that no case of Acne, Pimples or Eczema can withstand.

And those itchy toes that get raw and sore—the germs that cause it are killed by Emerald Oil. Don't waste time with weak washes—Emerald Oil is guaranteed by W. H. Windrow and druggists everywhere to rid you of stubborn unsightly skin troubles or money back—an 85 cent bottle last 2 weeks.

3 RULES big help to BOWELS

What a joy to have the bowels move like clockwork, every day! It's easy, if you mind these simple rules of a famous old doctor:

1. Drink a big tumblerful of water before breakfast, and several times a day.
2. Get plenty of outdoor exercise without unduly fatiguing yourself.
3. Try for a bowel movement at exactly the same hour every day.

Everyone's bowels need help at times, but the thing to use is Dr. Caldwell's Syrup Pepsin. You'll get a thorough cleaning-out, and it won't leave your insides weak and watery. This family doctor's prescription is just fresh laxative herbs, pure pepsin, and other helpful ingredients that couldn't hurt a child. But how it wakes up those lazy bowels! How good you feel with your system rid of all that poisonous waste matter.

OWLS LOSE TO KELLY FIELD.

From the Owl.

The Hondo Owls lost to the 40th Squadron of Kelly Field Wednesday, May 6, in a none too close game. The Owls were no match for the old and experienced cadets, for this reason two of the Hondo town team players, Barry and King, assisted the Owls in losing the game.

THOSE HIGH SCHOOL GIRLS.

From the Owl.

LIGHT DELIVERY PANEL TRUCK, \$555

Prominent among the thousands of concerns using large fleets of Chevrolets are many of the leaders of American industry. In fact, 73 outstanding business firms have purchased a total of 27,605 Chevrolet cars and trucks.

The reason for this preference lies in the unexcelled economy of Chevrolet cars and trucks, as proved by official cost records. These records show that 20 miles to the gallon is a common occurrence among Chevrolet cars. That oil expense is extremely low. That Chevrolet

cars and trucks require only a minimum of service attention. That they give satisfactory low-cost service over exceptionally long periods of time.

Naturally, a car with such a fine record of economy represents an extremely wise investment for any buyer! Especially so, when you consider the many advantages that Chevrolet offers above and beyond economical operation. Come in and learn what these advantages are—what they mean in terms of style, comfort, safety, reliability and value.

SENIOR-JUNIOR PICNIC.

From the Owl.
Now Juniors don't be late
Meet the Seniors at a quarter to eight
At the school house door on Saturday morn.
Come in old clothes tattered and torn
To Con Can be prepared to go
And what's gonna happen you oughta know.
Now be there with a willing heart
Or the Seniors might decide to take you apart.
We'll stay all day and have so much fun
That you'll remember the Seniors of '31.
This was the invitation to the annual affair sponsored by the Senior Class in honor of the Junior Class, which was held at Con Can, Saturday, May 9.
The members of the Junior and Senior Classes met at the school-house Saturday morning. The first part of the initiation was the decorating of the Junior's faces with "monkey blood" and then after much discussion, the Juniors were made to remove their shoes. They were then ready to journey to Con Can.
The picnicers arrived at their destination about 11 o'clock. Some of the cars had a rather hard time getting across the river and some of the girls had to be rescued by gallant young gentlemen.

Swimming and kodaking were then enjoyed (especially Mr. Fluker's Bradley's and Fritz's swim). After a while, lunch was announced, but before the Juniors could eat they had to have some "trimmings," so the Seniors prepared their belts and paddles. Of course, it hurt for a little while but it was all for the best and the Juniors took it good-naturedly. Then a lunch was spread which consisted of sandwiches, potato chips, olives, pickles, cookies, cream-o-pops and fruit.

After lunch, there were various amusements enjoyed. The boys played a game of indoor baseball with Con Can and only beat them 27 to 7. Later in the afternoon the picnicers decided it was time to journey home. All of them report a most enjoyable time.

OWLS LOSE TO FORT CLARK.

From the Owl.
The Hondo Owls lost to the Fort Clark doughboys Friday, May 8, in a close game excepting the first three innings, as neither side scored after the third inning and both sides collected two hits. Fort Clark scored 6 runs in the first three innings and Hondo scored one. Thus remained the score for the rest of the game. The Town Team assisted in losing the game again.

THE CLOSE OF SCHOOL.

From the Owl.
To some the close of school means more than to others. For, at the close of school, some turn their minds elsewhere and seek a brief repose from study. Others who are leaving the school and who have finished their work, review sweet memories of school days. Each act of kindness and every true friendship is recalled, and these students are happy because of their accomplishments, and sad because of the separation from classmates and teachers.

Most of the students have spent their time pleasantly and "have drunk at wisdom's fountain." They have tried each day to "higher climb the steps that upward mount."

If one would only stop long enough to look over the knowledge gained in

one school year, he would resolve to do better next year because "good instruction gathered in youth will be worth more than riches."

The close of school is sad but you must "advance in learning if you would advance in life."

The habit of learning helps those

who have set a high aim in life.

So, after all, the close of school gives us something to think about, something that leaves a lasting impression.

"Knowledge planted in youth gives shade in old age."

IN congratulating the winners in the great Camel contest we want at the same time to thank most cordially the approximately million men and women who displayed their friendly interest by sending in an entry.

We wish also to thank the millions of smokers throughout the country for the appreciation they are showing for our new Humidor Pack as is evidenced by the notable increase in the sale of Camel cigarettes.

By means of this dust-proof, germ-proof,

moisture-proof Cellophane wrapping the rich aroma and full flavor of choice Turkish and mellow Domestic tobaccos have been air-sealed in Camels for your enjoyment.

If you have not tried Camels in the Humidor Pack all we ask is that you switch over to this brand for one day.

After you have learned how much milder, how much cooler, how much more enjoyable it is to smoke a perfectly conditioned fresh cigarette, go back to the harsh hotness of stale cigarettes if you can.

HONDO BOY WINS PROMOTION.

Mr. L. F. Rothe is in receipt of a letter from his son, Reinhart Rothe, which brings the pleasing information that he has been recently promoted to the position of Resident Engineer in highway construction work in Polk County.

Mr. Rothe went from Shackelford County after about a year's work there to Polk County about two years ago as assistant to the Resident Engineer, and has been stationed at Corrigan since that time. In the changes recently made in the personnel of the employees, he succeeds to the head position as a merited reward for faithful and efficient service.

Mr. and Mrs. Henry Moore returned Saturday from a week's trip to Hugo, Oklahoma, where they visited Mr. and Mrs. A. C. Cooley. Mrs. Cooley is a daughter of Mr. and Mrs. Moore and moved from here to Oklahoma several years ago. Mr. Cooley is in the tailoring business at Hugo and is doing well. Mr. Moore says crops are small and very late but not suffering for rain, as it rained all the way on them while returning from Hugo to Hondo.

Following some ten or fifteen days of clear weather, during which time farmers have been very busy cultivating their crops, a fine rain fell here Tuesday night. The precipitation amounted to 1:15 inches here, but was lighter in some places and accompanied by some hail at other spots. While doing some damage to oats, it will be of inestimable value to the corn crop. The rain was accompanied by an unusually vivid electrical display.

Rev. H. A. Heineke announces elsewhere in this paper that he is bringing to Hondo, May 28, a presentation entitled "Betty, the Girl of My Heart" by the Luther League of New Braunfels, where he is now the pastor. A pleasant entertainment is assured everyone. Rev. Heineke formerly held the pastorate of St. Paul's Lutheran Church here, and is well known and well liked in Hondo.

William P. Blocker, Council to Mexico and stationed at Juarez, just across the river from El Paso, was here on a visit to his father, Judge V. H. Blocker, who has been indisposed for some time. At last reports the judge was improving and his friends hope to see him soon restored to his normal good health.

Dr. T. B. Knopp returned Friday night from Houston where he had been in attendance upon a dental convention. He reports a pleasant and profitable trip, but was surprised to find it too dry in the Houston section and crops sorry from there all the way to the Seguin section.

PAY IN FULL ON VETERAN'S CERTIFICATES.

DALLAS, April 23.—Congressman Wright Patman of Texarkana, Democrat, announced here today that he would introduce a bill in the December session of Congress providing for the immediate payment of the full face amount of the veterans' adjusted compensation certificates.

Congressman Patman said he had received assurance from other members of Congress of enough votes to pass the bill.

Patman was author of the bill passed by the last session, under which loans up to 50 per cent of the face value of adjusted compensation certificates over two years old were permitted.

Patman was here with R. T. O'Neal of Topeka, Kansas, National Commander of the American Legion Department of the Southwest.

Patman estimated that it would take one and one-half billion dollars to pay the certificates in full.

FRANK MOORE DEAD.

Mr. and Mrs. Louis Rucker were called to San Antonio last Monday afternoon on account of Mrs. Rucker's father, Mr. Frank Moore, who was seriously ill. He died Tuesday morning and was buried Wednesday afternoon. He had been in ill health for sometime but had been seriously ill for the past ten days. He is survived by his wife, 3 step-children, Mrs. Homer Embrey and Mr. Lee Sorrells of San Antonio and Mrs. Louis Rucker of Hondo; four sons, James, Edgar, Louis and Rollie; two daughters, Mrs. Chas. Hagopian and Mrs. Alfred Dietzel, all of San Antonio.

He leaves a host of friends and acquaintances in Hondo where he lived before moving to San Antonio some 12 years ago.

Maryland Woman Happy Now Loses 55 Pounds

Edith J. Marriott of Baltimore, Md. writes: "Last winter I weighed 200 pounds and was very much ashamed. I bought a bottle of Kruschen Salts which gave such wonderful results I bought more. After 4 bottles I weigh 145 pounds and all my friends say, 'How slender you've gotten—how did you do it?' I say only four words—'thanks to Kruschen Salts.'"

A generous bottle of Kruschen Salts that lasts 4 weeks costs but 85c at W. H. Windrow's or any drug-store in America—take one half teaspoon in a glass of hot water every morning before breakfast—cut out pastry and fatty meats—go light on potatoes, butter, cream and sugar—that will help Kruschen take off your fat.

Take Kruschen every morning—it's the little daily dose that does it—if not joyfully satisfied after the first bottle—money back.

Where They Play Sunday.

When Sabinal and D'Hanis defeated Hondo and MacDona, respectively, Sunday the league leaders of Highway No. 90 circuit each strengthened their hold on the upper rungs of the ladder. Sunday, May 24, finds Castroville at Sabinal for a game with the undefeated Hustlers, while MacDona will be hosts to Hondo when the two teams meet to decide which shall take undisputed possession of the cellar position.

Sabinal 3; Hondo 1.

Reitzer of Hondo bested Thornberry. Sabinal ace, in a pitchers' duel Sunday at Hondo, but his teammates could not hit in the pinches and he lost a 3 to 1 decision to the Hustlers.

MOTH PROOFING.

The usual moth proofing, offered by Jennings each season is going to go into effect Monday, May 25, and last until June 15. Special cleaning and moth proofing rates have been announced by Jennings. While they last, large cedarized moth proof bags will be returned with clothing sent in for moth proofing, at no additional cost. If you don't care to have your winter clothes cleaned and moth proofed before storing them away, these cedarized bags can be purchased at Jennings for 20 and 25 cents each. Phone and ask about the special prices for these two weeks. Moth proofing will run through June but up to and including June 15 special prices will prevail.

HOME.

From the Owl.
There's a little white house on the hill-side,
Surrounded by cedars so green,
Some folks may not call it a good sight,
But to me it has always seemed,
The fairest spot in the wide world,
No matter where I may roam,
The reason for this you may wonder,
Why this little white house is home.

At this little white house on the hill-side,
Are my dogs, my ponies, my cats,
My boots, my spurs and my duckins,
My almost ten gallon hat.
I saddle my pony so early,
And am off for a ride on the range,
With a love for this rough freedom,
Which no city refinements can change.

My companions in this wild freedom,
Are the best that a girl ever had,
A boy cousin, a girl friend, and sometime,
My good old hard riding Dad;
We dash over hills in a mad flight,
And swim in the Hondo's clear stream
When weary of this and bright sunlight,
In the shade of the cedars we dream;

Of days when we shall be grown up,
Our share of life's burdens assume,
Oh! I hope that this life in the open
Will help us to always live clean,
To deal honestly with all of our fellows,
And to know that ahead on the trail,
There's reward for those that live squarely,
Conferred by the King of the range.

—DOROTHY HICKS.

From the Owl.
Mr. Merton L. Harris of Smithville, Texas, has presented the Hondo High School Library with an autographed book of his own work. The book is a book of Texas and Texans and many literary critics have given their criticism which are all very complimentary. The students are very pleased to receive such a gift from such a well known man. He will deliver the address to the graduating class on commencement night.

NICE SHOWER ARRANGED FOR NEW HOSPITAL.

A shower was tendered the new Medina Hospital, recently built at Hondo, at the home of Mr. and Mrs. Joseph Schmidt, honoring their daughter and niece, Mrs. Mary H. Cook and Mrs. Alice Bertreiver, who are the proprietors. The house was decorated with sweet peas, pansies, carnations and larkspurs. A large crowd assembled, and would have been larger but on account of Mother's Day many were away. Card games, music and singing were the features, till 4:30 o'clock when the presents were opened and viewed. Mrs. Cook thanked the guests for the many beautiful and useful presents given to the hospital.

Punch, sandwiches and cake were served to some 70 guests at 6 o'clock. All returned to their homes, expressing having had an enjoyable time, wishing the hostesses good luck in their new career.

(Few Devine people knew that the two owners of the new \$15,000 hospital at Hondo are daughter and niece of Mr. and Mrs. Joe Schmidt of Devine. The niece is a daughter of Ex-Sheriff Joe Bader.—Editor)

FROM YANCEY.

We had a Mother's Day service at the Methodist Church Sunday. The Baptist congregation visited with us for the day and their pastor, Rev. Don Martin, delivered an excellent sermon which was enjoyed and appreciated by all. There was a large crowd present, all the seats of the church were occupied.

Rev. Martin held his regular service at the Baptist Church and Rev. Rogers filled the pulpit at the Methodist church.

We are very sorry that little Gloria Mae Roench, who was at the Hondo hospital for a week, grew worse and upon advice of physicians was taken to a specialist in San Antonio Sunday. Mrs. Roench, who was also quite ill for several days has recovered.

The infant son, Ray, of Mr. and Mrs. Fred Hardt is also seriously ill, with cholera infantum, and the youngest child, Lloyd, of Mr. and Mrs. A. J. Hardt is also reported quite sick. We sincerely hope that all three of the little patients will soon recover.

Mr. J. P. Nixon was taken very suddenly ill last Saturday morning, but with tender care and patient nursing is reported some better, of which we are glad indeed.

Mr. and Mrs. J. P. Nixon enjoyed a visit from their friends, Mr. and Mrs. Copeland of Houston and also of Mr. and Mrs. J. G. Oliver of Dallas. The latter also visited Miss Lucille Shultz.

Mrs. C. J. Oefinger enjoyed a visit from her children, most of whom live in San Antonio, who spent Mother's Day with her.

We noticed that Miss Mabel Fessler has returned from Luling, where she spent several months teaching.

Mr. and Mrs. Bickenbach of San Antonio were guests of their relatives, Mr. and Mrs. W. J. Gerdes Sunday.

Miss Flossie Gerdes was out from San Antonio visiting her parents for the week-end.

Mrs. H. N. Burgin spent several days in San Antonio last week, being still under the care of a physician, but is improving in health.

Mr. and Mrs. L. F. Fessler and children visited in San Marcos last week.

Mr. and Mrs. Milton Burgin attended the baccalaureate sermon at Pearsall last Sunday.

Miss Dora Mae Wilson was home for the week-end and attended the Mother's Day services Sunday.

Mr. Ray Warley spent the week-end with his mother, returning to San Antonio Sunday.

Supt. W. N. Saathoff and family of Hondo were visitors here Sunday.

Milkman, Housewife, Sportsman, Winners in \$50,000 Contest

Top, James Thomas Sharkey, first prize winner; lower left, Mrs. Walter Sweet, winner of second prize; lower right, Julius M. Nolte, winner of third prize.

Pictures show the three major prize winners in the Camel cigarette contest. James Thomas Sharkey, 32, a milkman in Boston, was awarded first prize of \$25,000; Mrs. Walter Sweet, mother of three children and wife of a Marine Corps captain stationed at the Brooklyn (N. Y.) Navy Yard, won second prize of \$10,000, and Julius M. Nolte, real estate dealer, and former secretary of the Duluth Commercial Club, received the third prize of \$5,000. In addition, five prizes of \$1,000 each, five prizes of \$500 each and twenty-five prizes of \$100 each were awarded.

The three fortunate prize winners will go to Winston-Salem, N. C., where Camel cigarettes are manufactured, to receive their checks.

IS SHE To Blame?

IS THE HOUSEWIFE TO BLAME IF SHE GOES ELSEWHERE TO DO HER TRADING AND YOUR HOME TOWN IS LOSING OUT?

IN THESE TIMES WHEN MONEY MUST BE MADE TO BUY THE LIMIT OF ITS VALUE THE THRIFTY HOUSEWIFE—THE VERY CLASS WHOSE TRADE IS THE MOST VALUABLE IN THE LONG RUN—MUST THINK NOT ALONE OF SELECTIONS BUT VALUES AS WELL.

THEREFORE, SHE IS STUDYING THE ADVERTISING MORE CLOSELY THAN EVER BEFORE. IF IT IS NOT YOUR ADVERTISEMENT IN YOUR HOME-TOWN PAPER IT IS YOUR BIG TOWN COMPETITOR'S IN SOME OTHER PAPER.

SHE'S READING THE ADS—AND BUYING FROM THE ADVERTISING MERCHANTS.

AS OTHERS VIEW IT.

We have known for some time that Lockhart has been worked by canvassers for city firms for everything that Lockhart's merchants sell and that Lockhart's industries produce. But while we were suffering with neuritis and kept within doors a nice looking young fellow came to the house and announced to start with that he had nothing to sell nor was he taking orders for merchandise, but that he was making statistics for certain retailers of a neighboring city. He asked our name and after calling certain articles of merchandise, desired to know how much of such goods the family bought from merchants in his city direct or by mail order. He asked furthermore what percent in our opinion of the goods he named that was used in Lockhart was bought in his city. Wonder of wonders, he then asked what methods these firms should employ to increase their trade in Lockhart. No, we did not advise him to advertise in the Post-Register because the Post-Register has never sought advertising from out-of-town business in competition to home merchants. Such advertising as ever appears in these columns is brought here without solicitation. BUT IT IS WELL ENOUGH FOR THE ENTIRE CITIZENSHIP OF THE SMALL TOWN TO REALIZE THAT CITY COMPETITION THREATENS THEIR VERY EXISTENCE.—Lockhart-Post Register.

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria! As harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.

HONDO, TEXAS, MAY 22, 1931

TEXAS AND TEXANS.

By
Will H. Mayes
"All Texans for All Texas"

TEXAS TOURIST CAMPS

There are more than 1,100 tourist camps in Texas. Three hundred of these are of the better class with facilities and comforts closely approaching those of the better hotels. In reality small efficiency apartments. At one time there were over 100 free tourist camps in the State, but now there are less than a dozen. The free camps were abandoned because they became resorts of auto thieves and a menace to honest tourists. Modern tourist camps afford protection to their patrons, are clean and so polished that undesirable characters pass them by. Usually the camps are patronized mostly by the people who prefer the quiet camp life to the crowded hotels who are glad to pay fair prices for modern accommodations.

Native Stone Used

One is impressed with the increasing use of colorful native stone for building residences throughout Texas. A few years ago the use of such stone was regarded somewhat as a thing that would soon pass. It proved otherwise, that almost a new style of architecture has been developed. Many-colored stone used, it is found equally adaptable in all styles of homes from the small cottage to the costly mansion. The native stone house leads itself well to native landscaping and is in its own appropriate settings on level land and on hillsides. Its beauty is increased by harmonizing rock walls and driveway pillars. The native stone house is especially colorful and fitting for country homes with surrounding grounds, and more being built every year on Texas.

Beauty in Cotton

A number of schools have come with the suggestion of Governor Sterling that the graduates dress in cotton clothes at commencement, the girls look prettier in their dresses than in silks. After a visit to the Bluebonnet Gingham at New Braunfels, Mrs. Sterling has the suggestion that some Texan artist design a bluebonnet gown, and that it be used in making bed quilts and comforts for the homes. The idea, if adopted, would be among the very best to make and use the bluebonnet.

State Art Gallery

The Texas Fine Arts Association among its plans the creation of a gallery and institute of fine arts on the spacious grounds of the Elisabetta Museum at Austin. This is a place where the best of Texas art may be collected and exhibited, where art teachers may meet students of art for study under inspiration gathered from the shrine of art and from the beauty of the surrounding Texas. Art lovers from all over the world commend the judgment of the association in the selection of the site and the erection of so unique a building in which to work, and no spot could be found for the art center of Texas.

Texas Press Program

Starting from its usual program of reporting all the annual convention to "talking shop," the Texas Press Association at its San Antonio meeting, June 11-13, will hear reports from leading Texas speakers on subjects pertaining to the development of the State, each speaker to talk upon the theme to which he has devoted years of his work. The Texas Press Association is solidly behind every movement for the advancement of the State, and the San Antonio program is expected to set a precedent for Texas development at conventions of Texas associations of all kinds.

Texas Asbestos Supply

Business men have associated themselves with a geologist of the University of Chicago to develop a large asbestos deposit recently discovered in Gillespie county on a 100-acre tract on which mineral rights have been secured. The de-

posit is described as "long-fibre, high grade asbestos." The find has been confirmed by geologists of the Southern Lines and the National Refining Company.

To Build Bridges

Recent marooning of numerous parties of travelers by the overflow of low bridges and dips has resulted in a bond issue in Kendall county for building bridges and hard surfaced highways in that county. About a \$1,000,000 will be available from the bonds and State and National appropriations for the purpose.

Building at San Benito

Public and semi-public building construction now in progress at San Benito approximates \$250,000. This, along with the many private buildings under way, creates an air of building prosperity in the Valley city.

Pecan Use Increases

San Antonio pecan sellers announce that there is a decidedly noticeable increase in the demand for shelled pecans, especially in confections and in packaged sales from store counters. Pecan growing eventually will become one of the major industries of Texas as home consumption throughout the country increases.

Construction Crowds Hotel

Hotels at Burnet and Llano are crowded since construction of the huge electric power dam at Kingsland was begun and both these towns are having a decided increase in business due to the building activities. Large development in that section is expected to result from the series of dams to be built.

Must Use Texas Marble

The legislature has decided that Texas granite and marble must be used in the monument to be erected by the Texas Bar Association to the memory of the first Texas Supreme Court judges if the monument is to be placed on the Texas capitol grounds. Texans will endorse this action.

Making Farming Pay

Coleman county farmers have increased dairying to such an extent that there is a noticeable increase in cream separator sales, and they are profiting from sales of milk and cream.

Eleven Scurry county club women have made homemade American cheese valued at \$76.50 at a total cost, including labor, of \$29.19.

Five hundred Fannin county farm women, representing as many families, have planted this season an average of 31 fruit and nut trees for each family.

By using good green pasture and home grown feed a Corvett farmer has been producing butterfat at a feed cost of 6 cents a pound.

An added income of \$45 for \$2.70 worth of copper lime dusting powder and two hours' labor in applying it to his Irish potato crop is reported by a Cameron county farmer.

Bees—10,000 colonies of them—are expected to add from \$125,000 to \$150,000 to the gross income of Uvalde county farmers this year.

Midland county farmers have increased their carders nearly 400 per cent this year and have in that way decreased living expenses.

Dallas county farmers are planting stock beet, which they expect to feed to dairy cattle to be converted by them into milk and cream.

A Wilson county woman has sold \$70 worth of strawberries from her home garden this season without depriving her family of berries to eat.

A Potter county woman has realized \$52.60 from the sale of hooked rugs made from scraps of cast-off clothing.

One thousand Fort Bend county men and women, trained by the county demonstration agent, have learned the art of food preservation and have canned ample supplies of surplus farm products for home use.

Cuero shipped out \$5,700,000 worth of produce in 1930 or nearly 18,000 car loads.

CASTROVILLE.—Parishioners of St. Louis' Church tendered their pastor, the Rev. Jacob Lenzen, a farewell party in the parish hall on Sunday evening, April 26.

The children of St. Louis' school, under the direction of the Sisters of Divine Providence, rendered a special program, consisting of songs, recitations and several acts, while the Castroville Orchestra furnished music for the occasion.

At the close of the program Adolph Ahr delivered a farewell address, to which Father Lenzen responded.

The parishioners presented their pastor with a purse and a spiritual bouquet.

Father Lenzen left on the following Tuesday on a five months' vacation in European countries, and will visit his old home in Germany.

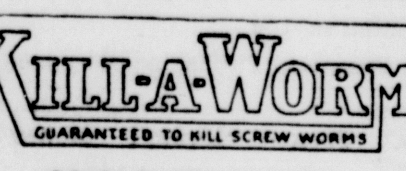

Oblate Fathers of San Antonio will be in charge of the parish until Father Lenzen's return.

OWLS BEAT LYTLE HIGH.

From the Owl.

The Hondo Owls, Regional Champions, met the Lytle High School, undefeated until they met the Owls, on the local lot on Friday, May, 15, and beat them in a hard fought battle which required an extra inning. At the end of the seventh inning the score was seven to seven and so an extra inning was played in which the Owls scored the extra run to beat the Lytle boys. The Owls played a sorry game that day. Langfeld, pitching for the Owls, was not at his best and not only that but the whole

German remedy stops
30-Year constipation

"For 30 years I had a bad stomach and constipation. Scurrying food from stomach choked me. Since taking Adlerika I am a new woman. Constipation is a thing of the past."—Alice Burns.

Most remedies reach only lower bowel. That is why you must take them often. But this simple German remedy Adlerika washes out BOTH upper and lower bowel. It brings out all gas and rids you of poison you would never believe was in your system. Even the FIRST dose will surprise you. W. H. Windrow, Druggist.

Eggs are cheap now. Don't forget, however, that the same factors now responsible for cheap eggs will cause very high egg prices this Fall and Winter of 1932.

SOPHOMORE PICNIC.

From the Owl.

Tuesday, May 5, the Sophomores and their teacher decided to go astray from the regular routine of school work and go on a picnic.

Several cars were obtained for their use, and after school they drove to Castroville, where everyone enjoyed themselves. Some went in swimming, while others went boat riding and still others fished. (Ask Jimmy about the "whale" he caught!)

About six o'clock a delightful picnic supper was served to the picnicers. Later all departed for home

When PAIN Comes

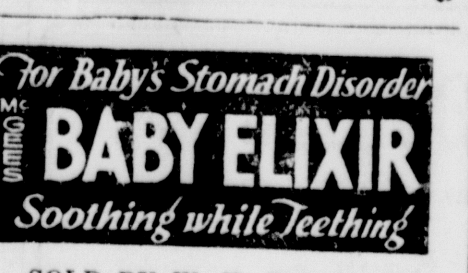

WHAT many people call indigestion very often means excess acid in the stomach. The stomach nerves have been over-stimulated, and food sours. The corrective is an alkali, which quickly neutralizes acids. And the best alkali known to medical science is Phillips Milk of Magnesia.

One spoonful of this harmless, tasteless alkali neutralizes instantly many times as much harmful acid, and then the symptoms disappear at once. You will never use crude methods when once you learn the efficiency of this. Go get a small bottle to try.

Get the genuine Phillips Milk of Magnesia, the kind physicians have prescribed for 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore.

QUIHI NOTES.
Repent, ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord." Act 3: 19.
Sunday, May 24, is Pentecost, a great festival, observed for centuries by all churches to commemorate the promised outpouring of the Holy Spirit at Jerusalem and the founding of the Christian church.
Sunday morning at 10 o'clock Pentecostal service will be held in St. John's Lutheran church of New Fountain. All are cordially welcome at this and all services in this church.
At 7:45 o'clock Sunday night a Pentecostal service in the English language will be held in the Quihi Lutheran church. Aside of the membership of the church, friends and neighbors are cordially invited to this and all services in this church.
On Sunday night, May 31, the Quihi Luther League will render a splendid musical-literary program. Every number on this program is selected in the hope of entertaining and profiting the hearers. The following numbers are scheduled to be given: Several choice selections by the well-trained church choir; an interesting lecture by the pastor; vocal selections by Mrs. Annie Schulte and Miss Hulda Oefinger; an instrumental selection by Miss Hilda Mummie; a choice selection by the Quihi Male chorus led by Mr. Anton Grell; a declamation by Miss Lucille Bohlen and select readings by Mrs. Albert Mummie, Mr. Milton Balzen and Misses Anna Mae Filleman and Elsie Folk. An invitation to come and enjoy this program is extended to all.
Thursday, June 4, the regular bi-monthly meeting of the Quihi Ladies Aid Society will be held at 2 o'clock P. M. in the Lutheran parish hall. An interesting report from the delegate to the recent general convention will be given. The hostesses of the day will be Mesdames C. W. Grell, Otto Neumann and George Balzen.
The memorial service last Thursday at the Quihi Lutheran cemetery was largely attended. The decorations and flowers were profuse and beautiful.
